Plan review fees include two (2) inspections and approved revisions during construction. Plans resubmitted or revised for a 3rd time will be treated as a new submittal and subject to applicable fees. The Fire Marshal reserves the right to have a third party review of any submitted plans and any associated fees will be at the developer's expense. All fees are subject to "during business hours" including plans reviews and does not include weekends/holidays and fees may be waived at the discretion of the Fire Marshal.
